Local Mum Celebrates New Crossing Success

SPROTBROUGH mum Beverley Vaughan is proof that people power can make a difference after she spearheaded a campaign to make a local accident blackspot safer.

Mrs Vaughan, who is registered blind, was finding it increasingly difficult to cross Melton Road at the junction with Spring Lane and Thorpe Lane, without asking for help because of the risk of being hit by speeding vehicles.

A few years ago this had been the scene of an accident involving a Ridgewood pupil who was hit by a vehicle after stepping off the school bus.

Mrs Vaughan, a former Ridgewood and Don Valley teacher, decided enough was enough and so, with the help of supporters, organised a petition calling for a zebra crossing, which was signed by **750** local residents.

She presented the petition to the parish council and her. Campaign won the backing of councillors, who pledged parish funds towards the construction costs.

Armed with her petition, she also lobbied Doncaster Council and successfully secured Deputy Mayor Glyn Jones and colleagues' financial support for her plans.

Sprotbrough & Cusworth Parish Council and Doncaster Council shared the **£30,000** cost of creating the pedestrian crossing, with the parish council using some of its Section 106 funds. These are contributions made by developers towards the costs of providing community and social infrastructure.

A delighted Mrs Vaughan went with parish council Chair Councillor Pat Haith and Councillor Cynthia Ransome, who represents Doncaster Council's Sprotbrough Ward, to officially declare the new 'zebra' crossing 'open'.

She said: "We had to knock on a lot of doors asking residents to sign the petition but the result has been very worthwhile. I can now cross the road safely and many people have told me how useful it is in enabling them to get to the shops easily and quickly."

Councillor Haith said: "This is a great example of the parish council working with local parishioners to bring a much needed public amenity off the drawing board. We listened to their concerns, gave them our backing and worked with Doncaster Council to make it happen."

Councillor Ransome said she believed Sprotbrough & Cusworth was the first parish council in Doncaster borough to help provide a pedestrian crossing. "It is real partnership working by sharing our financial resources for the benefit of the local community".

Looking back on 2017/18

By Parish Chair, Councillor Pat Haith

SPROTBROUGH and Cusworth Parish Council serves a population of just under 12,500 residents across Sprotbrough, Cusworth and Scawsby. There are 17 elected parish councillors, known as members, who represent different areas of the parish, called Wards. All elected members are volunteers and unpaid for the work they do in the community.

The parish council employs nine staff who are responsible for the administrative running of the council and the care and maintenance of the community centre, sports pavilions, skate park, outdoor gym and playground facilities.

As well as this newsletter, which is distributed to over 5000 homes, we also have a website - www.sc-pc.co.uk - and facebook and twitter pages, helping to keep the community in touch with our activities.

The skate park on Anchorage Lane continues to be an extremely popular facility for a variety of wheeled sports activities and is used by young people from both within the parish and throughout Doncaster and the wider region. The outdoor gym and running trails have been equally successful and are well used.

The Goldsmith Community Centre hall is in daily use providing a range of community groups and various fitness classes. You can see the full range of activities on our website.

As part of our commitment to a continuous programme of upgrade and maintenance of facilities and buildings, new tables and chairs were purchased for the Goldsmith Centre. The improvement programme of tree and hedgerow management also continued at Newlands Park.

The committee room is in regular use by groups for meetings and functions, including Sprotbrough Ladies Circle who make a range of craft work to raise funds for charities.

The parish council, along with Brodsworth Parish Council, fund and manage Scawsby Community Centre, which is well used by hirers.

The four recreation sites that we own are well maintained and well used by parishioners for a variety of activities.

The parish council supported local residents by contributing the major cost of **£19,000** towards the installation of a pedestrian crossing at Melton Road, Sprotbrough, which is featured on the front page of this newsletter.

The parish allotments remain well maintained and fully used. The past football season again saw all our senior and junior pitches being fully utilised.

We have member representation on the management committee of the volunteer run Sprotbrough Library. Several other members give their time and support to help run Sprotbrough and Scawthorpe libraries. Other members are actively involved with a range of organisations and initiatives such as the Sprotbrough Neighbourhood planning Group and Don Gorge Community Group.

We also continue to promote and financially support the work of various local groups and organisations including local scout groups, Sprotbrough Music Society and the Don Gorge Community Group.

Members represent the parish council on a range of external bodies, including the Joint Management Committee for the Scawsby Community Centre.

The Parish Council prioritises its role as a statutory consultee of Doncaster Council Development Control Department by monitoring, evaluating and commenting on the appropriateness of all planning applications that fall within the parish, and by considering parishioners' views and comments. Members sometimes attend Doncaster Council Planning Committee and site visits.

During the year we welcomed a range of speakers to council

meetings, including the Internal auditor, highways officers and Yorkshire Ambulance Service.

Residents continue to show their interest in our work by either regular contact with members, attending council meetings or via the parish council office, website and social media.

The parish council approved another modest increase of two per cent on the parish rate in 2017/18 and a parish rate of **£170,729** was levied.

Regular donations have been made for the benefit of community groups and charitable organisations with **£1,472** in grants being awarded during the past year. We also approved **£4,000** of additional support funding to the Neighbourhood Planning Group.

Along with Brodsworth Parish Council we contributed **£13,125** towards the operating costs of Scawsby Community Centre for the benefit of Parishioners in the Scawsby and Cusworth areas.

Elected members maintain a watchful eye on budgets whilst exercising prudent management of Parish Council finances; at the close of the financial year Parish Council fixed Assets were in excess of **£1.4 million**.

The parish council general reserve balances at the year-end were **£293,447** and **£6,296** VAT was reclaimed from the government. A rigorous internal and external audit regime thoroughly monitors the parish council's legal and financial compliance. The internal auditor, who visits quarterly, has asked again that his satisfaction with the financial record keeping be publicly recorded.

Similarly, no issues were raised in 2017/18, by our external auditors, B. D. O., on the accounts for 2016/17.

Looking ahead: the parish council is working on a forward plan of improvements, including the upgrade of the Anchorage Lane play area, featured on Page 5.

But what else would you like to see included? Contact the parish council office, or your local councillor - details on the back page - to let us know.

Kids could be missing out on travel benefit in South Yorkshire

SOUTH Yorkshire Passenger Transport Executive (SYPTE) is urging schools, parents and carers to make sure their 11 to 16 year olds get a Mega Travel pass. The pass guarantees a flat 80p fare for single journeys on buses and trams and half price train tickets within South Yorkshire for all children in that age group.

It's easy to get a free Mega Travel pass. Parents or carers can simply apply online and it will be sent to their home. To use the pass children just need to remember to take it and tap it on board or show it before paying their fare.

The Mega Travel pass is accepted by all operators, on buses, trams and trains in the region, and children can upload a range of weekly and monthly tickets on their pass, saving time and money.

Ordering a Mega Travel card online at Travel South Yorkshire is free and quicker than doing it by paper, with an estimated seven days delivery after the application. They are valid up to the 31st July of the year in which a child turns 16, or until the day before their birthday, if it falls in August.

If a customer is unable to apply online, they can post a completed application form to SYPTE or leave it in one of the drop-boxes available at South Yorkshire interchanges.

The Wyre Lady:

two million passengers and 80 years on

ONE of the area's best known residents celebrated her 80th birthday a few months ago. In this feature, skipper Tom Waddoups gives a potted history of Sprotbrough's own very special Lady...

Now an icon of the South Yorkshire waterways, the Wyre Lady - which you can see berthed at Sprotbrough Lock - came into service in 1938.

Originally named the Ashton, with sister ship the Leven - now Bristol Queen - the two ships were launched in the May of that year at a cost of **£4,150** each.

They were immediately put into service providing trips to view the building of the Cunard White Star Liner, RMS Queen Elizabeth and servicing the 1938 Empire Exhibition held in Glasgow (as seen in the film 'King's Speech').

Following the closure of the Empire Exhibition, the ships continued sightseeing excursions towards Clydebank, viewing the Clyde Shipbuilding yards and the fitting out of the Queen Elizabeth at John Brown's Shipyard.

In 1939, the then named Ashton, was requisitioned by the Royal Navy at the outbreak of the second world war and serviced as a naval tender to the Queen Mary - and later the Queen Elizabeth - in their roles as troop ships in the Clyde Anchorage. The vessel was repainted in Naval Grey, carrying 'RN23' on the bow. It's at this time that Jimmy Cagney, the famous film star, is reported to have performed on board the Ashton.

Following the end of the war in 1945, Ashton returned to service on the Clyde, initially on the new Gourock to Dunoon ferry service, but she became particularly well known on the run between Largs and Millport, an association which continued until 1962. Incidentally, the Ashton was also the last passenger vessel to sail the Forth and Clyde canal before its closure at the end of 1962.

By the winter of 1964/65 both the Ashton and Leven were laid up at Greenock, the Ashton eventually being sold and renamed the Gourockian. She was used for just five years on the summer ferry service between Gourock and Helensburgh. The now Gourockian' became surplus to requirements in 1971 when she was replaced by the larger Countess of Breadalbaine.

In 1971 the vessel was sold to become the Fleetwood to Knott End ferry across the mouth of the River Wyre, where she acquired her present name.

In 1975, she began the most notorious part of her career to date. Whilst working from a hotel on the River Severn, her then owners ran into financial difficulty and she was arrested by the Admiralty Marshall and had a writ nailed to the mast.

Two years later, the Wyre Lady was sold and brought by sea to Doncaster by Alan Oliver. After a major refit she started work in March 1978 and continues to trade today, having carried near on two million passengers over the course of more than three-quarters of a century.

Over the last decade she has been restored in keeping with her original design and is recognised as part of the UK's National Historic Ships register whilst offering a unique venue for all kinds of events, as well as the opportunity to see the Don Gorge from a very different and most relaxing perspective.

Public cruises are available most Sunday's of the Summer to Doncaster and Conisbrough, Private hire is available for the vessel all year around and information can be found on our website at www.riverboatcruises.co.uk, or on our Facebook page Sprotbrough Riverboat - The Wyre Lady Partyboat.

For public sailings, please check our board by the ice cream van at Sprotbrough - next to the Boat Inn - or call **07823 332544**.

Here's to the next 80 years!

Grants for worthy causes.

EVERY year the parish council sets a small budget to provide grants to constituted community groups or registered charities. Any application is considered on the basis of how the grant will either benefit the area or local people.

Last year, grants totalling almost £1,500 were awarded to:

- Don Gorge Group £137.50
- Sprotbrough Music Society £250
- Sprotbrough Christmas Lights £200
- 9th Doncaster (York Road) Scout Troop £885

Sprotbrough Music Society used their grant funding to provide a series of concerts throughout the year, as well as organising workshops in local school which are greatly appreciated by staff and pupils. They also have a policy of admitting students in full-time education free of charge to their main concert programme.

The 9th Doncaster (York Road) Scouts have purchased tents, cookers and gas converters with their funding to enable their members to enjoy exciting and challenging outings. Some of the scouts are pictured trying out the equipment.

If you would like to apply for a grant, please include information on your group's financial circumstances, such as the last set of audited accounts or bank statement as appropriate; a note of any financial commitments/grants applied for; the number of local residents who are members of their organisation; or the number of residents within the parish that their organisation has either assisted or expects to assist.

These grants can only be made once in a financial year.

For more information contact the parish council's Finance Officer: Janice Hepworth, (pictured), who works in the parish council office on Fridays, at: **Sprotbrough & Cusworth Parish Council**, Goldsmith Centre, Sprotbrough Rd, Sprotbrough, Doncaster DN5 8BP Telephone: **(01302) 788093** • Email: **rfoscpc@btconnect.com**

Fun for the over 50s

AGE UK Doncaster runs weekly sessions at the parish council's Goldsmith Centre, on Sprotbrough Road, for people aged 50 and over who are looking to get out of the house for a few hours.

They offer a safe and friendly environment for people to come together to socialise, take part in activities and simply have fun.

The sessions run from 10.30am to 2.30pm every Wednesday and include transport, refreshments, cooked meals, games and activities..

To find out more, please ring **01302 812345** or email: **www.ageuk.org.uk/doncaster**

Make use of your local library

SPROTBROUGH Community Library has been running a number of regular weekly courses and activities including:

- Practical Philosophy;
- Art for Leisure
- Italian for Beginners and Improvers
- Photography for Beginners

Please call **01302 782436** or enquire at the library counter for more details. (Some courses may be free if on certain benefits.)

Sprotbrough Library is run by volunteers and has received financial support from Sprotbrough & Cusworth Parish Council to help its development. It's a great local asset - please use it so we don't lose it.

The library is always looking for new volunteers so, if you would like to help out, please call in and have a chat to see what opportunities are on offer.

Xmas tree LIGHT UP

THE grand switch on of the Sprotbrough Xmas lights will take place on Saturday 24 November on the village green - opposite St Mary's Church - at 5.30pm. Everyone is invited. If you, or a group you are a member of, would like to take part in some way, please contact organiser Carol Rees at **carolmaryrees@hotmail.com**. The parish council has made a grant towards the light up costs and would consider supporting community groups who would like to stage something similar in other parts of the parish.

Help make this real

PARISH councillors have approved this design to modernise Sprotbrough's current Anchorage Lane play area, but no timescale has yet been agreed for the work as funds have to be sourced to bring the plan off the drawing board.

Councillors are hoping that Anchorage Lane will follow in the footsteps of New Lane Playing Field, where nearby residents formed an action group to drive forward the transformation of the site and were able to support the parish council in applying for grants from various funding sources.

Parish Chair, Councillor Pat Haith, said: "We now have a great vision for the re-development of the play area, including fantastic new fun equipment. But this is just the start. We now need the support of local people to help us make it a reality by working behind the scenes with us.

"If you would like to be involved, please contact the parish council office on **01302 788093** for more information. New Lane has shown us what we can collectively achieve when the community gets behind a scheme so let's do the same at Anchorage Lane."

LIVE MUSIC IN SPROTBOUGH

SPROTBOUGH Music Society organises six concerts every year at Sprotbrough's St Mary's Church Hall. The next two events are:

Thursday 18th October 2018: Kate Stillman (violin) and Simon Lane (piano). A delightful evening in prospect with sonatas by Brahms, Debussy, and Mendelssohn, Schumann's Fantasiestucke, and a selection of Romanian Folk Dances by Bartok.

Thursday 15th November 2018: Viv Mclean (piano) Viv has appeared with many leading orchestras including The London

Philharmonic at the Barbican, The Halle at The Bridgewater Hall, a USA tour with The Royal Philharmonic and on radio with The BBC Concert Orchestra. He will perform a varied programme from Bach and Beethoven to Chopin and Gershwin - a must for lovers of piano music.

To join the Society, please ring the membership secretary, Mrs S Ekins on **01302 853469**. The annual subscription of £75 includes admission to all six main concerts. Non-Members admission £15 at the door. Students in full-time education are admitted free.
